## Instructional Excellence in Teaching & Learning

### Explicit Teaching, Instructional Clarity, and Consistent Classroom Practice

Helping schools strengthen clearer teaching, stronger lesson flow, and greater consistency across every classroom.

Format	Duration	Audience	Includes
Premium face-to-face PD	1 day   5 hours	Whole staff, teams, and leaders	Ten Step Lesson Flow, reflective tools, teaching resources

#### Why this programme

Many schools want stronger consistency in teaching without reducing teachers to a script. This programme helps staff build greater precision, clarity, and purpose through a practical, evidence-informed approach to explicit teaching. Teachers explore what strong instructional practice looks like in action and how it can be applied in manageable, realistic ways across a school.

#### Why it stands out

- Links explicit teaching directly to instructional clarity and lesson quality.
- Provides a shared lesson architecture without removing professional judgement.
- Blends modelling, checking for understanding, guided practice, and independent practice.
- Supports teachers with practical tools they can apply straight away.

#### Benefits for schools

- Builds greater consistency across classrooms and campuses.
- Supports graduate, PTT, and experienced teachers with a shared framework.
- Strengthens walkthroughs, coaching, feedback, and follow-through.
- Benefits all students through clearer, more purposeful teaching.
