

LEAD BEYOND HORIZONS

Instructional Leadership

Building leadership clarity, strengthening teaching quality, and lifting consistency across classrooms

Format	Duration	Audience	Includes
Premium face-to-face leadership workshop	Half-day 2.5 hours	Principals, deputies, heads of school, instructional leaders, curriculum leaders, and middle leaders	Reflection tools, practical resources, and implementation guidance

A premium half-day professional learning workshop for school leaders

Helping leaders create clearer expectations, stronger instructional support, and more consistent teaching and learning across teams, faculties, or campuses.

Why this workshop

Strong instructional leadership helps schools turn vision into visible classroom practice. It sharpens clarity around effective teaching, strengthens support for teachers, and builds greater consistency across teams and campuses.

Benefits for schools

- Stronger instructional consistency across teams or campuses
- Clearer expectations for teaching and learning
- More purposeful professional dialogue and follow-through
- A practical foundation for coaching, observation, and improvement monitoring

Why it stands out

- Links leadership directly to the core work of teaching and learning
- Brings together clarity, evidence, support, and accountability in one coherent workshop
- Designed for practical follow-through rather than abstract theory

Designed for

Principals, deputy principals, heads of school, instructional leaders, curriculum leaders, and middle leaders seeking realistic next steps for school-based implementation.

Programme structure

Session	Focus
Session 1: Building clarity and coherence	Strengthening shared understanding of instructional leadership, effective teaching, and the alignment of curriculum, assessment, and classroom practice.
Session 2: Leading improvement through evidence and support	Using evidence, observation, feedback, and coaching to strengthen teacher practice, student learning, and next-step implementation.

Leaders will leave with

What leaders receive	What leaders gain
clear language for leading teaching and learning	sharper instructional leadership clarity
practical frameworks for observation and feedback	stronger consistency in teaching expectations
strategies for evidence-informed leadership action	more purposeful support for teacher growth
realistic next steps for school-based implementation	stronger foundations for sustained improvement

“The more leaders focus their relationships, their work, and their learning on the core business of teaching and learning, the greater their influence on student outcomes.”

— Viviane Robinson
